EMERGENCY MEDICAL INSURANCE

Benefits – What does Emergency Medical Insurance cover?

Emergency Medical Insurance covers you for up to \$5,000,000 CDN of reasonable and customary expenses incurred by you as a result of emergency treatment required by you during your trip if a medical condition begins unexpectedly after you leave home, but only if these covered expenses are not covered by your government health insurance plan or any other benefit plan. The medical attention must be required as part of your emergency treatment and ordered by a physician (or a dentist in the case of dental treatment).

In the event of an emergency, call the Assistance Centre immediately: 1 800 211-9093 toll-free from the USA and Canada or **+1 (519) 251-7821** collect where available.

You must call the Assistance Centre before obtaining emergency treatment, so that we may:

- confirm coverage
- provide pre-approval of treatment.

If it is medically impossible for you to call prior to obtaining emergency treatment, we ask you to call or have someone call on your behalf as soon as possible. Otherwise, if you do not call the Assistance Centre before you obtain emergency treatment you will be responsible for 25% of your medical expenses covered under this insurance.

After your medical emergency treatment has started, the Assistance Centre must assess and pre-approve additional medical treatment. If you undergo tests as part of a medical investigation, treatment or surgery, obtain treatment or undergo surgery that is not pre-approved, your claim will not be paid. This includes but is not limited to MRI, MRCP, CAT Scan, CT Angiogram, sonograms, ultrasounds, Nuclear Stress Test, biopsies, Angiogram, Angioplasty, cardiovascular surgery including any associated diagnostic test(s), Cardiac Catheterization or any surgery.

Covered expenses and benefits are subject to the policy maximums, exclusions, limitations and any deductible amount (when applicable). The deductible amount, in CDN dollars, is the amount of covered expenses that you are responsible for paying per emergency medical claim. Your deductible amount applies to the amount remaining after any covered expenses are paid by your government health insurance plan.

Subject to the policy's maximums, exclusions and limitations the eligible covered expenses are:

1. **Expenses to receive emergency treatment** – Medical care received from a physician in or out of a hospital, the cost of a semi-private hospital room (or an intensive or coronary care unit where medically necessary and could not be omitted without adversely affecting your condition or quality of medical care), the services of a licensed private duty nurse while you are in hospital, the rental or purchase (whichever is less) of a hospital bed, wheelchair, brace, crutch or other medical appliance, tests that are needed to diagnose or find out more about your condition, and drugs that are prescribed for you and are available only by prescription from a physician or dentist.
2. **Expenses to receive professional services** – Care received from a licensed chiropractor, osteopath, physiotherapist, chiroprapist or podiatrist, up to \$300 by profession.
3. **Expenses for ambulance transportation** – Reasonable and customary charges for local licensed ambulance service to transport you to the nearest qualified medical service provider in an emergency.

 - the cost of air ambulance transportation, if this is medically necessary, is appropriate and consistent with the diagnosis and could not be omitted without adversely affecting your condition or quality of medical care.
 6. **Extra expenses for meals, hotel, phone calls and taxi** – If a medical emergency prevents you or your travel companion from returning home as originally planned, or if your emergency medical treatment or that of your travel companion requires your transfer to a location that is different from your original destination, we will reimburse up to \$350 per day to you to a maximum of \$3,500 for your extra meals, hotel, essential phone calls, internet usage fees and taxi fares (or car rental in lieu of taxi fares). We will only pay for these expenses if you have actually paid for them.
 7. **Expenses to bring someone to your bedside** – If you are travelling alone and are admitted to a hospital for 3 days or more because of a medical emergency, when approved in advance by the Assistance Centre, we will pay the round-trip economy class fare via the most cost-effective itinerary for someone to be with you. We will also pay up to \$500 for that person's hotel and meals and cover him/her under Emergency Medical Insurance, under the same terms and limitations of this policy, until you are medically fit to return home.  9. **Expenses to return children under your care** – If you are admitted to hospital for more than 24 hours or must return home because of an emergency, when approved in advance by the Assistance Centre, we will pay for the extra cost of one-way economy class airfare to return your children or grandchildren home via the most cost-effective itinerary and the return economy class airfare via the most cost-effective itinerary for a qualified escort when the airline requires it. We will cover him/her under the Emergency Medical Insurance, under the same terms and limitations of this policy for a qualified escort. The children or grandchildren must have been under your care during your trip and be covered under this policy.
 10. **Expenses for childcare** – If you are admitted to hospital, we will cover the expenses for an attendant to provide childcare services when such service is required. The attendant must be a person other than the child's parent, member of the immediate family, your travel companion, or the person whose guest you are during the trip. We will reimburse you up to \$100 per day to a maximum of \$300 per trip. The child(ren)/grandchild(ren) must have been under your care during your trip.
 11. **Expenses to return your domestic dog and/or cat** – When approved in advance by the Assistance Centre, we will pay up to \$500 for the extra cost of economy class transportation to return your domestic dog(s) and/or cat(s) home via the most cost-effective itinerary, if:
 - a) your treating physician recommends that you return home because of your medical condition;
 - b) our medical advisors recommend that you return home after your emergency treatment; or
 - c) you die.
 12. **Expenses to return your travel companion home** – We will pay the extra cost of one-way economy class airfare via the most cost-effective itinerary, to return your travel companion (who is travelling with you at the time of your emergency and insured under our travel medical insurance plan) home, if you return home under Benefit #5 (Expenses to bring you home).

Neither we, upon making payment under this policy, nor our agents or administrators assume any responsibility for the availability, quality, results or outcome of any treatment or service, or your failure to obtain any treatment or service covered under the terms of this policy. The participation of the insurers is several and not joint and none of them will under any circumstances participate in the interest and liabilities of any of the others.

Premium

The required premium is due and payable at the time of purchase and will be determined according to the schedule of premium rates then in effect. Premium rates and policy terms and conditions are subject to change without prior notice. Upon payment of premium, this document becomes a binding contract provided it is accompanied by a confirmation upon which a contract number appears and we have received your completed application (including the questionnaire, if applicable) prior to your departure date. If the premium is insufficient for the period of coverage selected, we will:

1. charge and collect any underpayment; or
2. shorten the policy period by written endorsement if an underpayment in premium cannot be collected.

Coverage will be null and void if the premium is not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of your payment exists.

Subrogation

How does this insurance work with other coverages that you may have?

This is second payor coverage. You may have other in-force plans or contracts such as, but not limited to, third party liability, auto insurance, group or individual health insurance providing hospital, medical or therapeutic coverage. In this case, the amounts payable under this insurance are limited to that portion of your eligible expenses that are in excess of the amounts provided by those other in-force plans or contracts.

Total benefits paid to you by all insurers cannot exceed your actual expenses. We will coordinate the payment of benefits with all insurers who provide you with benefits similar to those provided under this insurance (except if your current or former employer provides you with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less, we will not coordinate payment with that coverage. If your lifetime maximum is more than \$50,000, we will coordinate payment), to a maximum of the largest amount specified by any such insurer.

In addition, we have full rights of subrogation. In the event of a payment of a claim under this policy, we will have the right to proceed, in your name, but at our expense, against third parties who may be responsible for giving rise to a claim under this policy. You will execute and deliver such documents as are necessary and cooperate fully with us to allow us to fully assert our rights. You must do nothing to prejudice such rights.

If you are insured under more than one insurance policy underwritten by us, the total amount we pay to you cannot exceed your actual expenses; and the maximum you are entitled to is the largest amount specified for the benefit in any one policy. If the total amount of all accident insurance you have under policies issued by us is more than \$100,000, our aggregate liability will not exceed that amount, and any excess insurance will be void and the premiums paid for such excess insurance will be refunded.

IN THE EVENT OF A CLAIM

In the Event of an Emergency

In the event of an emergency, call the Assistance Centre immediately, prior to receiving treatment:

1 800 211-9093 toll-free from the USA and Canada or **+1 (519) 251-7821** collect where available. The Assistance Centre is ready to assist you 24 hours a day, every day of the year.

Please note that if you do not contact the Assistance Centre in an emergency, you will have to pay 25% of the eligible medical expenses we would normally pay under this policy (25% co-insurance).

If it is medically impossible for you to call when the emergency happens, the 25% co-insurance will not apply. In this case, we ask that you call as soon as you can or that someone call on your behalf. Do not assume that someone will contact the Assistance Centre for you. It is your responsibility to verify that the Assistance Centre has been contacted.

If at time of claim, it is discovered that you no longer have coverage under a government health insurance plan, the maximum amount payable for all eligible expenses combined will be limited to \$25,000.

If you choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, these services will be reimbursed to you on the basis of the reasonable and customary charges that we would have paid directly to such provider. Medical charges that you pay may be higher than this amount; therefore, you will be responsible for any difference between the amount you paid and the reasonable and customary charges reimbursed by us. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

To Make a Claim for Benefits

To make a claim for benefits under this policy, your written proof of claim and your fully completed Manulife Travel Insurance claim form(s) must be submitted to us within 90 days after the event, but not more than 12 months after the date of such event or loss.

More information on the documentation that must be submitted with your written proof of claim is provided on the following pages.

Written claims correspondence should be mailed to:

If you are making an Emergency Medical Insurance claim, we will need:

- a) original itemized receipts for all bills and invoices;
- b) proof of payment by you and by any other benefit plan;
- c) medical records including complete diagnosis by the attending physician or documentation by the hospital, which must support that the treatment was appropriate and consistent with the diagnosis and could not be omitted without adversely affecting your condition and quality of medical care and cannot be delayed until your return home;
- d) proof of the accident if you are submitting a claim for dental expenses resulting from an accident;
- e) proof of travel (including departure date and return date); and
- f) your historical medical records (if we determine applicable).

Who will we pay your benefits to if you have a claim?

Except in the case of your death, we will pay the reasonable and customary expenses under this insurance to you or the provider of the service, less any applicable deductible. Any sum payable for loss of life will be payable to your estate. You must repay us any amount paid or authorized by us on your behalf if we determine that the amount is not payable under your policy. All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, we will use our exchange rate on the date you received the service outlined in your claim. We will not pay for any interest under this insurance.

Is there anything else you should know if you have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted for judicial resolution under the applicable law(s) of the Canadian province or territory where *you* reside at the time of application for this policy.

For the purposes of determining the validity of a claim under this policy, *we* may obtain and review the medical records of the attending *physician(s)*, including the records of the regular *physician(s)* at *home*. If *you* die, *we* have the right to request an autopsy, if not prohibited by law.
